Up/Directional Lighting

PRESENTATION VISUAL ART OF LIGHT

Flowers, cakes, menus, food, place card settings, photos, venues and people all look better in the right light.

Pinspot Lighting

Photo credits to various photographers; please contact us for photo credit information.

VISION ENTERTAINMENT

Vision is one of the most important senses to entertain during an event, lighting is the magical element that helps you define exactly what your guests see.

Texture Lighting

BIG PICTURE VIVID COLORS OF LIGHT

Lighting can turn an ordinary event into something spectacular bringing together sights, sounds and tastes into a symphony of excitement. Lighting sets the tone of your event from the instant guests arrive bringing your event into bigger than life proportions.
