

Food Configurator

We have created a simple and efficient way to virtual your yacht for the upcoming Lonely Rock Race.

SEA n' EAT are proud to be an Official Supplier of the Lonely Rock Race 2020 and have created a **Configurator** to assist you in securing all your daily requirements of food, energy snacks & drinks from one source.

We use only the finest meals and snacks from suppliers like Trekn' Eat, Forestia, Chimpanzee and New World Foods designed to deliver long lasting energy to fuel you during the race.

A simple form allows you to fill in the needs of each crew member and review calorie intake by meal or day.

Vegetarian, Vegan & Gluten-Free options available.
