

## SELLING POINTS:

**#1 Salt & Sun Certified / Water Resistant**

- Built to exceed industry standards for salt-fog/UV exposure (ASTM B117/D4329), and vibration resistance, ensuring durability in harsh marine environments.
- Water Resistant: IP66 (commander), IPX5 (black box)

**#2 Flexible Audio Capabilities**

- 12 channels of audiophile, 3.5V RMS preamp outputs, configurable as four independent zones, each with left/right & subwoofer signals.
- Subwoofer outputs include selectable low-pass filter (60/80/120 Hz).
- Each zone can select its own audio source and control its own volume.
- Each zone has a dedicated port for adding an optional wired remote.
- Built-in amplifier produces 18W RMS x 4 @ 4 ohms (1% THD+N, 14.4V).
- Each zone can be customized with a 7-Band parametric equalizer, or select from eleven preset equalizer profiles.

**#3 Clean Looks with Excellent Ergonomics**

- Easy-to-read, high-contrast, 3.5-inch full color LCD display
- Dual rotary controls and large, backlit buttons for night operation.
- Black Box-mounted USB Port and Aux Input (RCA type)

**#4 Loaded with Great Source Options**

- Global, digital AM/FM tuner with 18FM/6AM presets, plus NOAA weatherband tuner, for the latest weather updates (antenna required)
- SiriusXM-Ready® - Enjoy premium audio programming when you add a SiriusXM® Connect tuner and antenna (sold separately).
- Pandora® Radio ready - Plays your favorite music via your USB-connected iPhone®, or Bluetooth®-connected iPhone® or Android® phone.
- Bluetooth® streaming with Qualcomm® aptX™ audio delivers maximum fidelity audio from compatible devices. (Bluetooth® 3.0+EDR, A2DP, AVRCP 1.4, SPP, SSP)
- MFI for Apple iPod/iPhone/iPad USB compatibility
- USB 2.0 full speed port accesses audio from your compatible iPhone®/ iPad® or USB storage device (MP3, WMA), with 2.1A USB charging output.
- Auxiliary input receives analog audio from an external audio device.
- Camera input (composite video - RCA jack)

**#5 Remote Control Options (sold separately)**

- MW1: wired remote control with LCD display
- MW6: for control from MFD via NMEA 2000® network
- MF1: wireless, waterproof RF remote control
- MF2: Wi-Fi remote module for iOS® and Android® devices

**CMS4****BLACK BOX DIGITAL MEDIA RECEIVER WITH COMMANDER****POSITION:**

Our flagship model features a beautiful, full-color display and a multi-source, multi-zone design for the ultimate in flexibility and performance.
