

Ryan Moore

My name is Ryan Moore I was born and raised in Springlake. My wife Rae Ann and I built our house in 1996 on land that has been in my family for generations and raised our 2 sons and daughter. I am a foreman for Kimco Fire Protection I have worked for them for 19 years now. What qualifies me to run for town council is I am a good problem solver use common sense in making decisions and my lifetime as a Springlake resident and wanting to see the town succeed.

The reason for the incorporation was to keep the town small and not become swallowed up by Payson and Santaquin. My vision for the future of Springlake is keep the small town feel with room to grow for future generations. Making zoning laws that are not too restrictive to land owners. Keep changes to a minimum for the first couple of years to build up a surplus in the budget so we can succeed. We have a great opportunity to be the first town council of Springlake And an even greater responsibility to serve the people of Springlake. I hope I am given the chance to serve the people and I will do it to the best of my abilities.
