June 8 – *Mary Poppins*, PG

June 15 – *Wonka*, PG

June 22 – *Bob Marley: One Love*, PG-13

June 29 – *Madame Web*, PG-13

We are all very saddened by the recent tragedy that occurred on the lake and ask that everyone keep the families involved in their prayers. Please be careful while boating and follow all rules. Also, please be respectful of the water and wear a life jacket.

Park **quiet times** are from 10 pm until 6 am. Please be respectful of your neighbors.

Dog owners – your dog's poop must be picked up and your dog must be restrained or contained at all times! We have received several complaints regarding these rules. These must be complied with.

Laurens County has increased their presence in our area. Many of the roads in our parks are county roads, therefore **golf cart drivers** are required to have a valid driver's license and **golf carts** are required to have registration stickers.

Parking can be tricky during the busy summer months. Please remember that no boats/trailers are to be parked at campsites or on the roads. Each park has an ample overflow parking area, all boats/trailers should be parked here. Each campsite should have enough space to park two vehicles. If you have more than two, they are to be parked in the overflow parking area. Do not block roads, this is a safety hazard.

July will be a busy and fun filled month on the lake as always. **Lights On The Lake 2024** will be Saturday, **July 6** at 9:30 pm. Please visit their website for additional information.
