**Fireworks of any form are banned in all of our parks!** This is in compliance with our insurance company, the grass is dry, there are numerous propane tanks, we have a volunteer fire department that is gone on holiday, and the RV's have rubber roofs and vinyl awnings. **You are responsible for your guests. No fireworks – no exceptions – automatic ejection.**

**Be polite** – rowdiness, profanity, and general disruptiveness are violations of the rules. Please to courteous to your fellow campers.

**Four-legged campers** – dogs must be on a leash or contained at all times. We do not want to eject our four-legged campers because their two-legged owners would not follow the rules, but we will.

**Please be careful with campfires** during this usually dry season. If the grass is crunchy, please do not have a campfire.
