

To Whom It May Concern,

I am writing to provide my strong recommendation for David Epperley, owner and operator of Telion Construction LLC. I have been employed by the Tunnel to Towers Foundation for over Two years, and Mr. Epperley recently completed a project for our organization.

To provide some background, the Tunnel to Towers Foundation builds homes for wounded veterans and first responders. We seek contractors who are capable of meeting significant challenges, and Mr. Epperley consistently went above and beyond our expectations. Not only did he deliver an exceptional finished product, but he also completed the project ahead of schedule.

I believe you will be more than satisfied with Telion Construction for your upcoming needs. Please feel free to contact me at any time if you have further questions.

Best regards,

Joseph A. Manfra
