PANORAMA

<u>INTERCOM SYSTEM</u>

In order for you to have access to the intercom system, concierge will need to know how you would like your first and last name to appear on the intercom system.

Concierge will than programme this information into the system as it is indicated below.

Please note that the Intercom system can only take phone numbers that start with area codes, (416) , (647) , (437) , (289) or (905).

First Name:_____   **Last Name**:_____

Suite Number:_____

Telephone Number: (_____) _____-_____

Attention:
With this option to enroll in the intercom system will result in the resident meeting his/her guest in the lobby and communicating with the guest independent of the concierge desk for the purpose of this entry.

Any issues with respect to this procedure should be brought to the attention of management or security supervisor.

Signature: _____   **Date:**_____
