

Dear Manatee Democrat,

As we gear up for a crucial election season in Manatee County, we're reaching out to ask for your support. The Manatee County Democratic Party is working tirelessly to ensure that every voice is heard, every vote is counted, and every community is represented.

With your help, we can continue to fund our vital Get Out The Vote (GOTV) efforts, which are essential for mobilizing voters across our diverse county. From phone banking to door knocking, we're committed to reaching out to every voter and empowering them to make their voices heard at the ballot box.

Your donation will also support our local Democratic candidates who are dedicated to creating positive change in Manatee County. From advocating for affordable housing and quality education to protecting our environment and promoting economic opportunity for all, our candidates are the champions our community needs.

Every dollar you donate will go directly towards supporting our efforts to elect Democrats and promote progressive values in Manatee County. Together, we can build a stronger, more inclusive community for all residents.

Please consider making a contribution today by visiting [Manatee Democratic Party - Donate Via Act Blue](#). Your support is truly appreciated, and it will make a real difference in the lives of our neighbors and future generations.

Thank you for standing with us as we work to create positive change in Manatee County.

Sincerely,

*Chris Wetherington*
