Meeting called to order at 7:05 p.m. by Jason Dwyer

Approval of Minutes

- C. Riley called for approval of minutes from Oct. meeting. J. Westhoff 2nd motion

President's Report (Dwyer):

- Do we need to begin recruiting for winter sports help (concessions, sales, etc)? Group responded with not yet
- Do we want to consider getting booster volunteer tshirts to identify members who give their time and also to recognize them at events? Maybe? Let's keep this on the table...

Vice-President's Report (Westhoff):

- No report

Treasurer's Report (Riley):

- Financial reports attached
- Currently we have made approx. \$14k, spent \$12k so we are doing well

Secretary's Report (Fisher):

- Nothing to report

Committee Reports:

a. Concessions: we are making adjustments to what we offer. Needs to be single serve with the least amount of handling. Considering microwave popcorn bags, a nacho/cheese warmer and other new items.

b. Spirit Wear: Sidewalk sale was great. New principal made an appearance. Approx \$6100 in merchandise sold. New sweatshirt and jogger pants designs to be voted on by the student body. Almost finished with the car decal design

Fundraisers:

- Not selling wreaths or ornaments, just no interest from the membership

- We need to beef up our advertising as the word is not getting out about sales/fundraisers
- Senior class is adding a “Senior Package” to our sales page
- Digital Discount Cards have been rolled out to various sports teams. No update on sales yet
- Upcoming Spirit Nights to benefit OPHS ABC:
Panera: 11/25; Panda Chinese: 12/16; Noodles & Co.: 1/11; Panda Chinese: 2/17

Athletic Director’s Report (Laine):

- Take a Hike Program has been initiated with a couple of student leaders taking a key role in getting it organized and complete
- Hall of Fame committee is working hard at getting this program on it’s feet. Hoping to get it all completed between Jan-Oct ’21, with plans to hold Awards celebration in Oct. ’21
- With possible winter sports beginning on Dec. 14, and strict occupancy rules to follow, there may be no fans/observers allowed at athletic events. No fans=no revenue=no money to pay officials. Need to find a plan to overcome these financial issues

Old or New Business:

- Live Stream cameras in stadium and gym need to be reinstalled/checked for performance

Next meetings: December 14, 7pm

Meeting Adjourned at 8:10p.m.
