

Osborn Park High School Athletic Boosters Club Meeting Minutes September 14, 2020

Meeting held via Zoom on-line

Board Members Present:

Jason Dwyer Jeni Westhoff Crystal Riley Keli Fisher

Board Members Absent:

Other Members Present:

Keith Laine Chris Webb Isabel Rojas Jeremy Coleman Helen Reading

Meeting called to order at 7:07 p.m. by Jason Dwyer

Approval of Minutes

- C. Riley called for approval of minutes from June meeting. K. Fisher 2nd motion

President's Report (Dwyer):

- Overall financial audit is being worked on

Vice-President's Report (Westhoff):

- No report

Treasurer's Report (Riley):

- Crystal did an inventory of our spirit wear. Held a Sidewalk Sale at OP, which was hugely succesful (made over \$6k). Decided to sell the OP blankets for \$50 for the month of September to promote school spirit and reduce inventory.

Secretary's Report (Fisher):

- Nothing to report

Committee Reports:

a. Concessions: we have several cases of Gatorade that need to be sold/donated before they expire in October. Suggested that we have to coaches sell drinks to the players for \$1 after workouts in the coming weeks to recoup some of the costs. Keith will oversee this

b. Spirit Wear: Sidewalk sale sold approx. 60% of our in-stock inventory. Mask sales have been good, more to be delivered in the coming weeks. Online sales through Rokkitwear have been decent, netting us approx \$500 so far. We are looking at a new vendor for future orders.

c. Golf: On hold until next year

d. Silent Auction: On hold until next year

e. Website/social media: 'follower' counts are increasing on both Facebook and Twitter; Jason looking into creating our own website

f. Scholarships: All paid out to the outgoing seniors to their respective colleges

Fundraisers:

- Still looking into Discount Cards, finding a new vendor and figuring out how to roll it out with sports not being played right now. Crystal is taking lead on this
- Booster Memberships/sports passes being discussed to generate income

Future Items:

- Raffle ticket program on hold for now
- Freshman Orientation went well

Athletic Director's Report (Laine):

- Physical Collection going well, more dates to follow
- Keith will take care of selling Gatorades and collecting money from coaches
- VHSL is still planning on moving forward with their new plan to play 60% of the regular season for all school sports. Dec 14 is 'winter' start date
- Coach Coleman (men's basketball) reported that the team has started training, with Covid-19 protocols in place, and all is going well so far.
- Jeni asked Keith why Garfield HS is practicing football already and we are not. He answered that each school is coming up with their own guidelines, in keeping with the Governor's orders to maintain Covid protocols. OP is hoping to do a 'slow roll' to get students back on the fields/courts to prevent an outbreak this fall/winter

Old or New Business:

- Live Stream cameras in stadium and gym need to be reinstalled/checked for performance

Next meetings: October 12, 7pm

Meeting Adjourned at 7:52 p.m.
