

CALL TO ACTION / MESSAGE FLOW

Our 10DLC campaign registration follows a transparent and compliant approach to SMS communications. Below is a breakdown of how recipients are engaged, and their consent is obtained:

1. How Numbers Were Obtained:

- All recipient numbers were obtained through direct engagement with our business, where customers voluntarily provided their contact details.
- Customers submitted their phone numbers via website sign-up and consent forms with explicit SMS disclaimer.
- Customers enrolled through in-store sign-up sheets, verbally confirming their consent.

2. How Customers Find Our Contact Information:

- Through our official website, where our business contact details are published.
- Our social media pages, including Facebook and LinkedIn, list our phone number.
- In-store posters and flyers display our SMS contact details.

3. Recipient Consent Process:

- Customers give consent by replying with "START" or through an online form with an explicit SMS disclaimer.
- Consent is also collected via verbal agreement during in-person interactions.
- Web-based forms contain a clear opt-in disclaimer about SMS communication.

4. How Customers Request SMS Communication:

- Customers opt-in through our web form that includes an SMS disclaimer.
- Face-to-face interactions allow customers to verbally opt-in.
- Some customers explicitly request SMS communication through our customer support channels.
