

STAGE 11

FIREARMS: Rifle Only

TARGETS: 8 paper

TIME OUT: 180 seconds

START CONDITIONS: Rifle is loaded and held at high port w/ buttstock touching belt.

STAGE PROCEDURE: Starting inside the shooting box with both heels anywhere on the rear fault line. Rifle is loaded and held at high port w/ buttstock touching belt. At the start signal engage targets as they become available.

RO NOTES: There are a lot of anthills. Pay attention to where you stand. Please remind shooters of the uneven terrain and to be careful with footing.

All Shooters: reset, reset, reset. This match does not move quickly if you do not reset. "Shooting is optional, resetting is not" – Jerry Miculek
