

STAGE 7

Welcome to the 2025 American Defense Mfg's The Tarheel Challenge.

This is Stage 7, sponsored by _____. My name is _____. We welcome you to the match and encourage you to thank all of our sponsors.

FIREARMS: Pistol, Rifle, Shotgun

START CONDITIONS: Rifle is loaded and staged in 2nd Dump Bucket, Pistol is loaded and holstered, Shotgun is loaded to division capacity and held at high port or low ready

STAGE PROCEDURE: Shooter will start with both heels on the "X's". At start signal, shooter will engage targets with appropriate firearms as they become visible. Once shooter reaches the john boat, shooter will enter john boat, sit on seat, and utilize the provided tripod/bag to engage all long range targets.

STAGE NOTES:

There are a LOT of ant hills. Be cautious where you step and stand.

The Texas Star, last popper, and pistol static steel must be engaged from behind the Pistol Dump bucket.

30 Second Failure to rotate each spinner
