

## Studio Expectations

"Color Your Dreams"

At The Art Nook, I believe in fostering an atmosphere where every artist can thrive and enjoy the process of creating. To make our studio a place of joy, exploration, and collaboration, here are my expectations:

- ✚ **Imagination:** Bring your imagination to life! Think outside the box and let your creativity flow freely.
- ✚ **Respectful Brushes:** Treat your fellow artists, teacher, and the art supplies with kindness and respect. We're a creative family, and positive vibes make our studio shine.
- ✚ **Clean Canvas, Clean Space:** Help keep our studio a tidy and welcoming space for all. Clean up after yourself and return art supplies to their designated spots.
- ✚ **Embrace Mistakes:** Mistakes are part of the artistic journey. Embrace them, learn from them, and turn them into opportunities for growth.
- ✚ **Share the Spotlight:** Our studio is a stage for everyone to shine. Encourage and support your fellow artists. We celebrate each other's successes!
- ✚ **Open Ears, Open Minds:** Listen to instructions, ask questions, and share your thoughts. We believe in the power of open communication.
- ✚ **Time is Artful:** Arrive on time and be ready to dive into the creative adventure. Punctuality ensures that everyone can enjoy the full artistic experience.
- ✚ **Patience in Every Stroke:** Art takes time. Be patient with your creations and the creations of others. Every stroke contributes to the masterpiece.
- ✚ **Play Safe:** Safety first! Be mindful of your surroundings and use art supplies responsibly. If you need assistance, your teacher is here to help.
- ✚ **Celebrate Diversity:** Our studio is a melting pot of creativity. Embrace and celebrate the unique perspectives and talents of every artist.

By following these expectations, we create a positive and supportive studio where art flourishes and every artist feels inspired. Let's make our time at The Art Nook a canvas filled with joy, growth, and endless creativity!
