# NEXXX LEVEL TEAMS

The primary objective of the Nexxx Level teams is to strategically expand our platform's reach by onboarding a diverse array of entertainers. These teams serve the crucial role of attracting and retaining talented individuals to our platform, fostering an environment conducive to vibrant and engaging content. Through a commission-based compensation structure, the teams operate cohesively as a unified entity, incentivized to drive revenue generation. This model ensures that compensation is directly tied to the team's success in cultivating active profiles, emphasizing a mutual benefit where earnings are realized only upon the achievement of revenue milestones.

# NEXXX LEVEL TEAM PROCESS:

## STEP ONE: Contact management

Please contact the management and express your intent to form a Nexxx Level team comprising two or more individuals. Ensure that you have the necessary information such as the names, ages, phone numbers, and email addresses of all team members readily available.

## STEP TWO: Wait 24-72 hours

Once management approves your team, they will contact you and request that you sign a commission contract. Following this, you will receive a list of social media pages and instructions on how to manage them. While management may not necessarily ask for banking information, they will need to establish a payment method. Your team may either be added to the company's payroll or receive payment through wire transfer upon direction.
