Invites

As an event planner utilizing our platform, you gain access to an array of tools and features designed to streamline your event preparations, whether they're on a national or local scale. Upon acquiring your event planner profile, a plethora of options becomes available to you. Once your profile is active, you have the opportunity to apply for a position as a Nexxx Level, Inc. company event planner on a local basis. This role allows you to handle our direct client events independently while simultaneously collaborating with us through the Nexxx Level, Inc. platform. It's a dual opportunity that offers you the flexibility to work autonomously and be an integral part of our team, providing a seamless experience for both you and our clients.

EVENT TICKETS

The Event Ticket feature is a dynamic offering open to individuals and organizations hosting legitimate events. Each event undergoes a thorough evaluation by our specialized event department before being approved and made available on our platform. We welcome a diverse array of events that align with our company's core beliefs and principles.

Moreover, to bolster event promotion, we extend the option of a local bulletin slot, ensuring heightened visibility for your event. The application for ticket sales on our platform is complimentary, yet a small percentage fee per ticket purchase will be applied, ensuring sustained support for our platform's operations.

Whether you're seeking to sell tickets or planning to attend, we invite you to join us and experience our commitment to your comfort and satisfaction. At Nexxx Level, Inc., we prioritize quality service and transparency. Should you require further clarification or have inquiries about this feature, we encourage you to reach out to us. We're dedicated to providing clarity and support, ensuring a seamless experience for all involved.

The Private Invites feature is a thrilling addition here at NEXXX LEVEL, Inc. We recognize the importance of curating specific guest lists for your events, and that's why we've introduced our Private Invites feature - your ticket to instant event invitations. This feature serves two primary purposes:

Firstly, there are Private Invites, offering a select group of individuals exclusive invitations either personally handed out or delivered digitally.

Secondly, the Special Guest List, compiling recipients of these private invitations, ensuring a curated list for your event.

We encourage you to harness the power of this feature, leveraging it to streamline your event management process. Easily invite your distinguished guests, granting them seamless entry with the aid of our special guest list incorporated within our entry security protocols. Say goodbye to tedious guest list hassles and welcome an efficient, time-saving solution for your event organization needs.
