No Show/Late Cancellation Policy

This policy has been established to help us serve you better.

It is necessary for us to make appointments in order to see our patients as efficiently as possible. No-shows and late-cancellations can cause problems that go beyond a financial impact on our practice. When an appointment is made, it takes an available time slot away from another patient. No-shows and late-cancellations delay the delivery of health care to other patients, some who are quite ill.

A "no show" is missing a scheduled appointment. A "late cancellation" is canceling an appointment without calling us to cancel 24 hours in advance of an office visit.

We understand that situations such as medical emergencies occasionally arise when an appointment cannot be kept and adequate notice is not possible. These situations will be considered on a case by case basis.

If you are unable to keep your scheduled appointment, please notify us at least 24 hours in advance so we can accommodate our other patients. You may also reschedule your appointment at that time.

After the first no-show appointment you will receive a phone call to remind you of the missed appointment and to reschedule your appt. If a subsequent no-show occurs, it will be the physician's discretion as to whether a discharge letter will be sent out disengaging you from the practice and giving you 30 days to enroll with a new physician. Multiple late cancellations may also result in dismissal.

**** PLEASE READ ****

In preparation of your visit to KSI, our physicians will review the medical record provided by your primary care provider.

It is often necessary for our physicians to also review medical records from hospitalizations, including hospital bloodwork, urine studies, and radiology studies. These efforts are made to facilitate your visit with us and to develop a complete record regarding the reason you were referred to us.

If our review of that information is in excess of 30 minutes, in preparation of your visit, we may charge a non-face-to-face review code reflecting the time spent on that preparation. Please note that such a charge may be billed even if you do not show for your visit.

Therefore, please make every effort to show for your appointment and if you need to reschedule or cancel, please alert us as soon as possible.

Thank you.

We are committed to meeting your healthcare needs and keeping your insurance and other financial arrangements as simple as possible. In order to accomplish this in a cost-effective manner for all our patients, we ask that you adhere to our practice's financial policy. By signing below, you are agreeing to its terms.

1. I am ultimately responsible for payment of charges for services I receive from this practice including those covered by my insurance. As a convenience, this practice will submit claims for reimbursement with my insurance provider; however, all payment responsibility is ultimately mine.
2. Some immediate payment may be expected at the time of service. This may include a co-pay and additional payment if this practice determines that the cost of my visit today will not be reimbursed by my insurance provider.
3. It is my responsibility to provide my current address, telephone number, email address, and insurance information at each visit.
4. I agree to provide the above practice and/or its designated payment agent with my debit/credit card or ACH information as required for these payment methods. I am responsible for any returned ACH or paper check fees.
5. I understand that my signature and payment information will be maintained on file digitally for future use by the practice according to my payment arrangement. The applicable payment card or ACH information will be truncated and "tokenized" by the payment agent in order to help maintain the security of my payment information. Card or ACH Information will be obtained through a card swipe, manual entry from card, void check, or orally in person or over the phone. If warranted, this practice may offer the option of paying my share of costs via an automated payment plan.
6. I authorize the above practice and/or its designated payment agent to apply charges to my payment card and/or ACH account as I agree in payment arrangement for all amounts owed to the practice for medical visits, procedures or supplies, including (i) amounts agreed as part of a payment plan, (ii) copayments, (iii) coinsurance (after application of insurance proceeds), (iv) amounts not covered by insurance and/or (v) fees (if applicable) charged by the practice for failure to keep a scheduled appointment or provide timely notice of appointment cancellation.
7. In the case of a patient balance that is not satisfied by a charge to my payment method or a payment plan, I may receive a monthly statement for any outstanding balance. I am responsible for paying this balance by its due date in order to avoid paying possible interest on the balance.
8. Transaction receipts will be maintained in the patient file or will be emailed to me if I provide and maintain a valid email address.
9. I authorize the above practice and/or its designated provider to send electronic account statements and invoices to my email address on file.
