

DECLARATION For Marriages

A covenant confession for couples walking in divine alignment and love.

Identity & Purpose

1. We are created in God's image — our marriage reflects His character, love, and unity. (Genesis 1:27)
2. We declare that our union mirrors heaven's design — full of grace, purpose, and peace.
3. We are not defined by the past; we are renewed daily in Christ to walk in oneness and strength.
4. Our love story brings glory to God and points others back to His divine blueprint for marriage.

Love & Communication

1. We speak life into our marriage — our words build, not break. (Proverbs 18:21)
2. We communicate with patience, compassion, and understanding.
3. We listen with hearts ready to heal and not to defend.
4. Our home is a safe place where love covers all offenses and forgiveness flows freely. (1 Peter 4:8)

Unity & Covenant

1. What God has joined together, no man, no spirit, and no circumstance can separate. (Matthew 19:6)
2. We are one — in body, soul, and spirit.
3. We fight together, not against each other; our battles are fought in prayer and love.
4. Our covenant is sealed in heaven, and we will honor it on earth with faithfulness and joy.
