Arden Fun Day

Summer Fun Day. On the 17th August 2024 we are planning a free Fun Day. There will be lots to do for children, like face painting, bouncy castle, and games and of course for adults there will be lots of music, fun, karaoke, competitions and so much more. Watch out for the posters!

Time to say Goodbye!

After only ten short months it's time to say Goodbye! I have really enjoyed my time here at Arden and hopefully made a positive impact on at least, some of our residents.

I have made many new friends on this estate and wish my colleagues and you all the very best that life has to offer.

God Bless - Gary Jarrett.

Dog Free Areas? We are inviting comments and views about having some designated dog free areas on our estate. Let us know what you think?

Flipping Burgers!

Summer is here and the temptation to start flipping the burgers, every time the sun is out is high, but, hold that thought!

Please remember. Barbecuing is not allowed in any communal area on the Arden estate. This is because barbecues are a fire hazard, can cause damage to the grass and potentially worsen air pollution.

Pet, Pet, Pets

As cute as they may, or may not be, you must have permission to keep your lovely pets. It is a condition of your tenancy and your dogs will need to be microchipped and registered.
