AI International Film Festival Announces August 10 Event in Hollywood

HOLLYWOOD, CA — The AI International Film Festival returns **Sunday, August 10**, from **10:55 a.m.–1:00 p.m.** at **Los Feliz Theatre, 1822 N. Vermont Ave., Los Angeles, CA**, showcasing the next wave of AI-related cinema and a timely expert panel on the technology's impact on film and society.

"Like the Academy Awards—but for AI-related films, now monthly," commented actor **R. Maggi**.

"The format is super engaging, it allows for discussions between the filmmakers and the audience after each film is screened," explained Arthur Machado, Brazilian director of *Modello Linguistico Divino*.

This month's program presents **10 standout shorts** selected from **111 submissions**, **67%** of which are international. The slate spans live-action, hybrid, and AI-assisted works, as well as films that concern AI's cultural and economic effects, see aifilmfest.org/selected-films.
