Spring Sales! Pricing Subject to Small Monthly Change*

Still in the doldrums of winter as we prepare this advertisement, hopeful an early spring has been gifted by the time this is in the mailbox. A few holidays are on the way and we are of course ready to help.

The industry is seeing a huge shift away from wine and I can certainly see that on the local level. Retailers will have to be smarter about what categories remain strong while others slump. The good news maybe some pricing does come down for high quality producers as wine goes unsold . Time will tell what wins out. But we will continue to offer what our customers demand. If your not a customer per usual we encourage you to simply ask for what you want and we will get it for you at the best price. – Be Well,- Greg Brick Jr
