*As a Skull Dogs RC Sponsor,
YOU can make a real difference
in the lives of animals in crisis.*

The Skull Dogs Riding Club is a Pinellas County, Florida, nonprofit 501c3 organization, created to build comradery amongst women motorcycle riders who share a common interest in promoting a better world for homeless and abused pets. Additionally, the Skull Dogs RC actively supports and participates in the fundraising activities of other reputable riding groups within the local biker community, especially those serving animal causes, children, Service Veterans, and First Responders.

The Skull Dogs RC personally hosts multiple fundraising events each year, each benefiting an identified local charity that serves the Club's mission. These may include organized multi-stop riding events, Bike Shows, Special Events at select locations, Casino Nights, Poker Runs, bike washes, and our Annual Toys for Tails Party.

The Skull Dogs RC also participates in local parades and escort services to honor our fallen heroes and returning Honor Flight Veterans.

Successfully meeting the needs of local animals in crisis takes a lot of dedication, planning, hard work, and funding. In order to be successful in meeting our Mission, the Skull Dogs RC actively solicits cash donations and in-kind donations of materials and services from our valued Sponsors. These items are then used to help raise money as awarded prizes and raffle winnings during our fundraising events.

Sponsors receive recognition with their logos and/or names listed in event announcement communications, on event t-shirts (if applicable), through cross-links and references on event websites and/or the Skull Dogs RC Facebook pages. Additionally, through the word of mouth shared amongst our friends and event supporters, Sponsors see their local image enhanced and an increased patronage from amongst the riding community.

Please consider becoming a sponsor of the Skull Dogs RC.

Thank you.
