OUR WISH FOR YOU

For all that you think you are leaving behind, here marks the next part to your journey. For many more years to come you will continually ask yourself "What's next?" But know that the experiences, the memories, the abilities and skills, and the friends and connections you have built on and off the stage as a dancer at CaRu Entertainment will serve you in many ways - and often in ways that may or may not have anything to do with performing as an artist. All the things you have learned are good. Use what you have learned to bring good and kindness to the world because that is what the world needs now more than ever. From there, we have no doubt that many successes and accomplishments will follow. Finally, don't hold anything back. Leave it all on "the stage" that we call life. We will miss you but remember that you always have a home at CaRu.

Congratulations!

*Love,
Cassie, Emily & the CaRu Faculty*

THANK YOU

A MESSAGE FROM CASSIE & EMILY

It's truly hard for us to imagine that 11 years ago when we set out on a dream that there were dancers (not much older than our own kids are now) who came along for the ride - trusting us and our mission to be different. To be a place of art, of growth, of inspiration and for dancers to cultivate their individual talents and personalities in a space that aims to empower young people to be their best selves on and off stage. You allowed us to grow and in doing that, grew yourselves in ways we could have never imagined. That foundation inspired the studio that we consider our home and the people who became family. We are forever grateful for our students who are CaRu and make our "jobs" never feel like work, even on the most challenging of days (and certainly the last couple of years brought plenty of those). As parents ourselves - now with our own kids on stage - we want to send a special shout out to all our CaRu parents and loved ones for all that you do for your dancers. We always knew you did a lot but not quite how much until now. Thank you to our own families, especially our spouses Sean Sweeney and Reuben Advani, for supporting our dreams year after year. And a very special thank you to Vincent and Nance Russo (Cassie's parents) who continue to be a guiding light.

~Cassie Russo-Sweeney & Emily Advani

Thank you for all that you do for our students and for our studio.
