## CONGRATULATIONS TO OUR GRADUATING SENIORS

Hope Gallagher  
Hannah Cooper  
Maddie Hill*

### OUR WISH FOR YOU

*For all that you think you are leaving behind, this marks the next part to your journey. For many more years to come you will continually ask yourself "What's next?" But know that the experiences, the memories, the abilities and skills, and the friends and connections you have built on and off the stage as a dancer will serve you in many ways - and often in ways that may or may not have anything to do with performing as an artist. All the things you have learned are good. Use what you have learned to bring good and kindness to the world because that is what the world needs now more than ever. From there, we have no doubt that many successes and accomplishments will follow. Finally, don't hold anything back. Leave it all on "the stage" that we call life. We will miss you but remember that you always have a home at CaRu.*

*Congratulations!*

*Love,  
Cassie, Emily & the CaRu Faculty*

# THANK YOU

## A MESSAGE FROM CASSIE & EMILY

*It's truly unbelievable to us that each year the magic of CaRu seems to grow and expand in its reach. When we set out on this journey nearly 13 years ago, it was impossible for us to visualize all that CaRu is today - that a community like ours, aimed at cultivating well-rounded artists and well-rounded people, would become so crucial in an ever-changing world. That somehow "just dance" is now an important piece of fabric woven into the lives of our amazing students. We are so proud of our dancers and it's a true honor to watch our students evolve not just as dancers but also as people. We are forever grateful to them, their families and our faculty who make our "jobs" never feel like work. As parents ourselves, we want to send a special shout out to all our CaRu parents and loved ones for all that you do for your dancers day in and day out to support their commitment to their craft.*

*Thank you to our own families, especially our spouses Sean Sweeney and Reuben Advani, for supporting our dreams year after year. And a very special thank you to Vincent and Nance Russo (Cassie's parents) who have always been and continue to be the backbone of our studio.*

*~Cassie Russo-Sweeney & Emily Advani*

## CARU ENTERTAINMENT FACULTY

*The group of inspirational and energizing artists, teachers and mentors who build beautiful dancers but more importantly, beautiful people. No one can deny the passion that each of you have for sharing your love of dance with our students. It's easy to recognize the hard work in weekly rehearsals and weekend events but what most don't see are all the behind-the-scenes hours and dedication that truly makes our studio what it is. Thank you for all that you do for our students and our studio.*

## SOUTH HUNTERDON REGIONAL HIGH SCHOOL

*Thank you to South Hunterdon Regional High School for hosting today's event and to your technical and business teams for making the day possible.*
