Hi - well, I finally got it done to my satisfaction - "fine tuned" some of my grammar and typing - isn't "WORD" wonderful on the PC? all the errors just go away, ha.

Anyhow, in addition to the Binder of the history, I prepared a "brief" rundown - this brief one is your copy - I made 3 more copies for club to put out on viewing table, or whatever you decide -

I meant to add to the brief 2 page deal, that Col. Ctr Mall was also built in 1969 and had their "opening" in October also - in fact there was a brief item in recent TCH.

Another thing I did (just for fun) - I went down thru the May 1969 P.S. Mbrshp List - and - there are eleven (only 11) still-paid members, i.e., if Summers have paid 04/05 dues? If not, then only 9 - Veterans, Orr, Lovingson, ~~Urban~~ Urban, Busker

and there are roughly 80 still living in Tru Cities - so many deceased

(over)

I started listing the deceased, and only
got as far as Holland, and quit -
there were 32 by then!! even.
Shirley Bures passed away just last
month & so much younger than we.

P.S. on the reverse side of one of the
lumber yard ads in TCH for our
Grand opening, was an ad

for the BRASS DOOR Restaurant/Lounge
on The Parkway in Richland -
