

Feb 1969

Step 2

1. First plan to visit for a few days.
2. If possible, have a meeting with the shipping on a Sunday afternoon. Send out post card booklet with help of people who are not too busy to go. If possible, have a meeting and explain the situation and how to turn down the offer. The people who have much money will take more time to talk. Spend time on the situation and view of the situation, except for a few days in the states. Jones' to's stating that the action will result in a new date of the check returned. This will give me a chance to prove one way or the other. If necessary, I will need without undue expense. To which I will be making payment to the Pacific Holding Co.

Step 3

If it seems apparent that we can raise the money, we must be steps to recover the Pacific Holding Co. share and start construction.
