Sponsored by Glory Alkaline Water™ — Restore The Glory

A new sound of faith and purpose is here. Team Courage™ launches Music.TeamCourage.org and its seven-song album *Girded with Courage™* — a free musical movement awakening hearts and restoring hope worldwide. Driven to inspire over 5 million youth and families to “Serve God by Serving Others — The Isaiah 58 Way,” this project unites worship, purpose, and empowerment in a powerful sound of freedom.

Powered by Glory Alkaline Water™ — “Restore The Glory.”

As the official sponsor, Glory Alkaline Water™ shares the album’s mission to renew body, mind, and soul. Together, water and worship bring healing and courage to communities everywhere.

“As water restores the body, courage restores the soul.” — Team Courage™
