Our 2024 National  
Elite Ultimate  
Grand Supreme

Hey Divas Hey I am thrilled to share with you a saga of resilience, perseverance, and triumph! As some of you may know, I recently earned the title of 2024 Elite Ultimate Grand Supreme. It was indeed an exhilarating experience, but the journey leading up to it was filled with nervous anticipation, weekend after weekend of low placements, sleepless nights and hours of training. I remember distinctly, the night before the competition, setting a goal for myself - to win the interview. Despite being inherently shy, I was determined to overcome my fear. On the day of the competition, I was fraught with nerves. The thought of making it to the top 10 seemed like an uphill battle. However, when the competition concluded, I found myself filled with hope. I went to bed that night with one thought echoing in my mind - 'I hope I make the top 10!' Come Sunday, I jumped out of bed with renewed vigour and determination. I had promised my mom that if I made it to the top 10, I would text her. Not only did I fulfil that promise, but I also achieved my goal of placing in the interview! As the crowning proceeded, and the last 4 titles were being announced, my friends began to surround me. I was clueless about what was happening, as was my mom. But then, I heard those unforgettable words from Mr Tim, "Today is a new day, it's your time." These words resonate with me even now, serving as a constant reminder that with hard work and determination, you can achieve anything. So, I leave you with this message: never give up. Keep working hard, because it pays off. It may not seem like it at times, but rest assured, your big win is around the corner! Remember, every day is a new opportunity to chase your dreams and make them a reality.

Stay positive, stay focused, and most importantly, believe in yourself!

Thank you for your unwavering support and love.

Sending you all lots of love,

Maddy Grace

Our 2024 National  
Dashing Dons  
Grand Supreme

Hello from Massachusetts, I'm Austin your 2024 Dashing Dons Grand Supreme! I was so excited to finally win this title after my third year competing in this awesome pageant. Last year I took home mini grand supreme and couldn't wait to come back especially with a very cool super hero theme this year. The pageant was so much fun and I got to hang out with all of my friends. Miss Cheryl and her staff are very generous and nice. The party was really fun and the prizes at registration and crowning were the best! My favorite routine to perform was living doll because I got to use my nutcracker costume and my mom found a Ken doll with a costume that matched perfectly. I had a great time on stage all weekend and couldn't believe when I was the last boy called for the highest title at crowning! Congratulations to all the wonderful contestants. This is my first time ever being royalty and I'm so excited! I look forward to the upcoming year as your Dashing Dons Grand Supreme!

Love Austin
