The WILD Edition

We are always impressed with the beautiful stage by Sean and the LBF staff - those animals were really having a wild time. And of course, the voice of pageant, Mr. Tim who brought some extra drama to crowning.

In this issue of our newsletter, we are proud to share great memories from our pageant weekend. We also introduce you to Arden, our 2025 National Elite Ultimate Grand Supreme and a very inspirational message from her about her first Darling Divas pageant experience and what it meant to her.

We hope you enjoy this issue and look forward to seeing you at our next event which is our 2026 National Pageant - January 30-February 1, where we will celebrate

Thank you to our amazing and beautiful contestants who graced our 2025 National stage. It was the CALL OF THE WILD and yes, the competition was Wild and Fierce.

We were happy to welcome so many new contestants to the Darling Divas stage, some of them taking the pageant stage for the first time. And we also welcomed back many of our previous contestants. Our contestants representing many states from across the country including our home state of New York. We thank all of the amazing families who joined us for pageant weekend. Our pageant would not be a success without you.

Spotlight on Arden

Our 2025 National Elite Ultimate Grand Supreme

Attending the Darling Divas Pageant was a unique and special experience filled with inspiring performances and dazzle. All of the events were so exciting, and the OOC category was definitely a highlight with all of the breathtaking performances filled with so much talent and confidence. I loved all the performances I was able to witness and I enjoyed my time on stage too. Even backstage, the atmosphere wasn't intense and it felt like a place where you can just do your best. By the end of the pageant, all of us walked away with a great time and an unforgettable experience regardless of what you won.

Spotlight on Melania & Peyton

Melania

Darling Divas and Dashing Dons has been an annual tradition for our family for the last 7 years! It's an amazing pageant where the entire family gets to participate in the fun whether you are competing or not!! The weekend begins on Friday night with registration. It's the fastest and most organized registration and you begin to get spoiled immediately!! At registration we received an awesome parent jersey to wear all weekend, a beautiful contestant shirt, a personalized lanyard that I wore all weekend with my contestants photo, a personalized water bottle to fill at the water stations all weekend long, a bonnet and a survival kit! Darling Divas survival kits are the best and we use them all year long for other pageants! On competition day, all of the events take place, right next to hair and makeup, in the same area making it super convenient and stress free!! Ms. Cheryl always has the children's best interest at heart so she always makes sure to have a lunch bag with snacks for the contestants after they come off stage! That's a huge convenience as sometimes you get so crazy at competitions that you hardly have time to eat. But at DD we love the schedule because it allowed us the chance to cheer for our friends in the younger group and the older group after we completed competing. We also loved the Photo Booth for everyone to enjoy, not just the contestants!! The kids and adults loved getting photos all day long with their different outfits and friends! After the competition was over, we all got to enjoy the party! Mr. Russel keeps it fun with individual games for every age group!! Everyone gets to participate!! However, the best part about Darling Divas is the culture that is all about family!! Although it's a competition, Ms. Cheryl makes the entire weekend feel like a family reunion. The Divas staff makes the entire weekend and warm, inviting and friendly environment. It's the magic that keeps everyone coming back!! On Sunday was crowning and Ms. Cheryl was not done spoiling her contestants!!! Every contestant regardless of title received a beautiful prize package packed with goodies!! All age appropriate and thoughtful!!! The Divas team really cares about their contestants!!! This year the calling of the top 10 was the absolute best I've ever seen!!! Mr. Tim got into the jungle spirit as he called out each name and had the entire crowd going wild!!! It was very emotional and very special!! After 7 years competing at Darling Divas, Melania was called top 10 for the very 1st time!!! Darling Divas was her very 1st pageant ever at the age of 1 and she took her first steps at the pageant!! This was a very emotional day for us!!! Crowning at Darling Divas is always so meaningful because the feeling of togetherness continues until the last name is called!! Melania is so proud to be royalty this year and she can't wait for next year's nationals to crown her successor!!

Darling Divas & Dashing Dons 2025 Call of the Wild National Pageant. What a weekend! The gifts, the prizes, the memories, oh my! My name is Amylynn and I am Peyton's Proud Mommy. Peyton is The Darling Divas & Dashing Dons new National 0-4 Natural Grand Supreme! I am also the Proud Mommy of Weston, who took home the title of Mini Grand Supreme of the Dashing Dons. We are the McGurr Family and pageants have become a hobby that we do together. As parents, My husband and I love coming together to make it happen for our kids. The fun they have with their friends, how much they love getting on the stage, and watching their confidence build more and more over time; we cherish it all. Not to mention, the memories we walk away with each time. This pageant in particular happened to be one of our favorites so far. The photobooth (my kid's favorite part), the amazing people who run Darling Divas, the smoothness of the pageant as a whole and of course how special they made each contestant feel at crowning. Peyton & Weston thought it was Christmas morning all over again with how much they walked off that stage with. Peyton and I are in awe of how beautiful her new Darling Divas crown is and we are honored to be a part of the new Diva's Royalty Family.

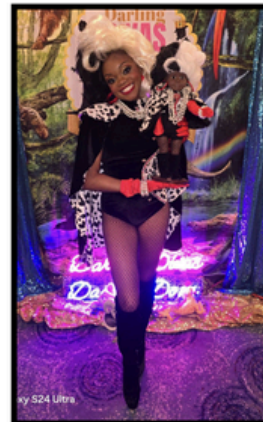

I had so much fun at the Darling Divas Pageant! Playing with Reighlynn and celebrating her birthday was my favorite part; besides hitting the stage of course! I loved getting all dolled up & putting on my pretty pageant outfits. Fun fact: It was my first time getting a spray tan, I felt so confident with a sunkissed glow that I couldn't stop smiling all weekend! I loved all the gifts and prizes I recieved. I got my first Money fan! Wow, did I sure feel so special all weekend.

-Your 0-4 Grand Supreme, Peyton
