

DARLING DIVAS & DASHING DONS NEWSLETTER

March 2026

Our 2026 Darling Divas and Dashing Dons Pageant was such an amazing event as we celebrated 20 Years of Beauty.

Our beautiful and handsome contestants graced our stage from Connecticut, Maine, Maryland, Massachusetts, New Jersey, North Carolina, Pennsylvania, Tennessee, Virginia, West Virginia and our home state of New York. We were so excited to welcome so many new Divas and Dons to our family and of course, to welcome back those who have been with us before.

In this issue of our newsletter, we bring you our pageant results, highlights from pageant weekend and showcase our contestants. We shine spotlights on our Elite Ultimate Grand Supreme, Emberlee and also brother/sister pageant team Royce and Aria.

Be on the lookout for information on our pageants coming up in October 2026 and January 2027.

Spotlight on...

Emberlee

Our experience with Darling Divas has always been out of this world. We gladly take a flight, subway ride and then an uber to gain the experience we have there. The competition is always on time, the Pageant family is so supportive there and the party.... Oh the party! The raffles to musical chairs and the dance party is the perfect way to end an amazing day. The off stage cool photos by Mr Russell make amazing memories. Mrs Cheryl Williams and family put so much effort into their pageants and it shows! We are honored to be the UGS 2026 and look forward to sharing this weekend with everyone in 2027 and forever! It's such a special time!

Aria & Royce

Aria and Royce had a great first experience at Darling Divas, not only because they got to compete as brother and sister which made it extra special, but also because they absolutely loved the party. The energy and excitement from the games to the prizes were by far some of their favorite parts, and they had so much fun, especially with the Photo Booth, where they could take photos and make fun memories. In addition to the competition and party, Aria really enjoyed seeing her friends and Royce had the chance to make new ones, which made the event even more memorable for them. Being surrounded by familiar faces and meeting new people added a wonderful social aspect to the experience, making it one they will cherish for a long time. Darling Divas was one for the books and a beautiful well thought out event!
