February 2021

Our 2021 Darling Divas & Dashing Dons National pageant was such a wonderful event. Our theme Arabian Nights brought out beautiful divas and handsome dons representing Ct, Ma, Mass, NJ, Oh, Pa, Tx and of course all over our home state of NY. Big congratulations to everyone who competed. Special thanks to our returning families and those who had their first DDP experience.

Even though we had to play by COVID-19 rules, we were still able to have a fun and safe pageant weekend. Thank you to all the families who helped us have a great weekend. We look forward to seeing you at our SUMMER SPLASH pageant and our 2022 DIVAS WORLD TOUR Nationals.

In this issue, we share pageant results and photos, and spotlight a few divas. And for the first time, we are highlighting some of our Diva Entrepreneurs. We hope you enjoy.

# SPOTLIGHT on *Eden* our 2021 Elite Ultimate Grand Supreme

Hello my name is Eden Martinez and I am 10 years old.

I am your 2021 Darling Divas Elite Ultimate Grand Supreme.

When the plane landed in New York, I immediately knew it was going to be an amazing weekend. I had so much fun walking around the big city, meeting new people, and of course competing in the pageant. This is an amazing pageant because Ms.KeyAna and Ms.Cheryl were welcoming, and well organized as always. All of the crowns were big and beautiful and the prizes were amazing for kids of all ages. They even had my favorite emcee, Mr. Tim there! Darling Divas is one of my very favorite pageants and even with COVID and all that's going on right now, it still felt like the same magical, wonderful experience it has been in years past!

It was such an honor to be crowned as the Elite Ultimate Supreme that it brought tears to my eyes and having one of my very best friends, Landry Patterson, the 2020 Elite Ultimate, pass her crown on to me was such an amazing moment.

It is truly a day I will never forget!  
I can't wait to see what fun this year brings  
and I am so honored to represent this title!

# A MOMENT WITH *Shea*

## *2021 Darling Diva Supreme*

“Yehualashet “Shea” Primack is 14 years old. She is in the 8th grade and loves learning new things, dancing, and making friends! Shea was adopted 3 years ago from Ethiopia and brings such light and sunshine into every life she touches. Shea enjoys singing, dancing, and making people laugh. Shea loves participating in pageants where she gets to shine on stage and share her joy with the world. She loves spending time with her sisters and wearing pretty Dresses! When Shea grows up, she wants to help others by bringing happiness and peace to their lives. We love Shea and pray everyone will get the chance to meet Shea and experience one of her incredible hugs!

I first met Shea at the Simply Elegant Beauties Pageant. I was touched not only by her spirit and her pure energy but also by her family and how they rallied around her with love and support. Shea has special needs but trust me when you meet her all you see is a loving and giving person. I did get to experience one of her incredible hugs and that spirit I said she has, radiates out of her. I am so proud to have had her grace the Darling Divas stage. I am a better person to have met Shea and look forward to watching this beautiful young lady grow into a phenomenal woman.

# Diva Entrepreneurs

We are very pleased to present to you a few of our little Divas already out there doing big things. Please support them in their ventures.

A Rose slimes was officially started in March of 2020, Ariel had always loved slime and following in her Daddy's footsteps of a scientist she had tried every new recipe that was out there, she asked us about making it to sell, so we started doing our homework, we purchased from all the big slime companies, Ariel would almost daily perfect her recipe, she started by sending her friends all free samples, getting feedback and in April 2020

A Rose slimes had launched on ETSY, we were shocked how fast the sales came in, she then started setting up booths a pageants, shows, festivals, all with great reviews, Today Ariel has sold almost 5,000 slimes and her shop has a perfect 5 star rating on ETSY, she has donated over 1/2 of her profits to operation shoebox, Salvation Army, and Children's miracle network which makes our hearts happy the rest of the profit is saved for her education! We are looking into different storefronts, and expanding as we are currently shipping hundreds of orders from home! We are excited to see where this adventure takes her, she also started a YouTube on her adventures that took off as well as a tik tok sharing her recipes and success and just had her first few viral videos, to say we are proud is a under statement, she's more then a pretty dress, she's out there making a difference.

We also offer 100% 25-30mm mink lashes, lash tweezers, velvet matte lipsticks, liquid eyeliners, lip liners in addition to two different eyeshadow palettes.
