Summer's Shining Stars

Denim & Diamonds was the theme of our summer pageant and our contestants really showed up shining bright. Congratulations to all of the contestants who lit up the stage – from those new to pageants to our pros, you all made it fun to watch. These were not the only stars shining bright this summer. We also launched our “Seasoned & Sassy” Pageant with our senior divas and they most definitely did not let the youngsters out shine them.

We will continue to shine with our October 19th Think Pink Party where we will raise funds for Susan G. Komen for the Cure. So come party with us for a great cause. Then we move into our 2014 “Disney Dreams” National Pageant where one lucky contestant will win a Disney Dream vacation.

Laeloni Alexandria

Denim & Diamonds Pageant Ultimate Grand Supreme

Laeloni Alexandria is a spunky little 4 year old who is new to pageants but don't let that fool you because she is a spit fire on stage. She has been competing now for about 6 months and has won numerous of titles from mini's to HI-Point Ultimate Grand Supreme.

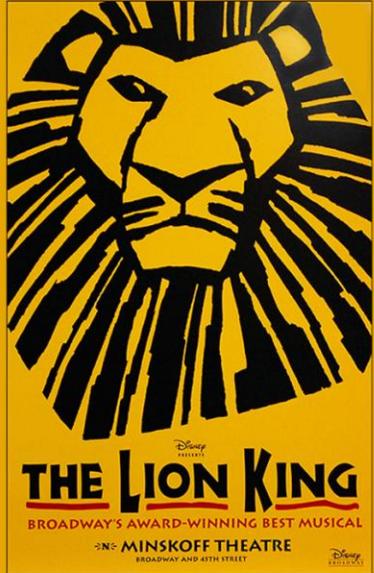

Laeloni enjoys pageant because she loves to meet new friends and have fun. She is known to be a social little butterfly of the group and get conversations started.

This July Laeloni stepped foot onto Darling Diva's Denim & Diamonds stage and "rocked it out" as she says. She went onto win the Ultimate Grand Supreme title and was absolutely thrilled and honored. She loves pageants and has not a clue what title she wins she just enjoys having fun with friends and winning beautiful crowns. Not only did she win the Ultimate but she also won her first cover photo contest, top 5 OOC show down, and numerous of awards in her age division. She loved Darling Divas production not only because she had won but because it was beautiful production. She did not feel rushed and her favorite part of it all was that she was able to pick her own music.

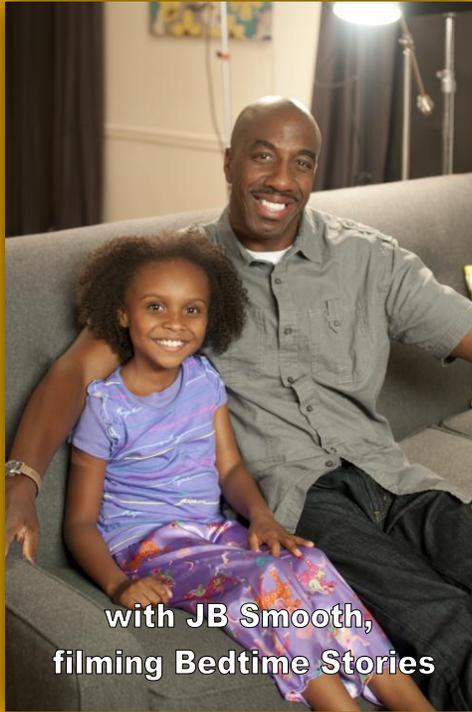

Besides pageants Laeloni enjoys being a fun little 4 year old who loves to play dress up, play with make-up, gymnastics, dance and cheer. Anything that keeps her busy she loves. Laeloni is a very family oriented little girl and loves to have fun. She has a new little brother and he is her number one fan. She loves to say "Mommy being on stage is fun and I love to see all the pretty little girls have fun so when is my next pageant." Lol. She is a joy to watch and has a huge heart.

Kaci is thankful and thrilled to make her Broadway Debut

Kaci Walfall

My Big Break...so far

Once upon a time there was a girl named Kaci and ever since she was little she was always busy. She was so busy that her family called her Hurricane Kaci. She wasn't a hurricane that destroyed things but she was always busy singing, dancing and modeling, sometimes she just couldn't keep still. Now onto how this Hurricane started her career. When Kaci was 4 years old she entered the Darling Divas 2009 Pageant. Kaci just did her thing on that stage. For Living Doll she sang the song *Tomorrow* from the movie *Annie*. After all the events it was crowning time and Kaci won a lot of titles. When they announced... and the Ultimate Grand Supreme is...Kaci Walfall", she was super surprised. After the pageant one of the judges came up to Kaci's mom and asked her to be in his acting business. Kaci said yes. She went on a few auditions but never booked any jobs. She did not quit. In Kindergarten she had an accident that injured her face after racing her mother. She was left with a big scar on her face. Kaci had to stop going on auditions and thought her acting career was over. But the story is not over yet. When Kaci was in 2nd grade her mom could not help it, she did not want to throw Kaci's love for entertaining and her talent away. She decided to sign her up for an agents and managers showcase with A Class Act NY. When Kaci went into the room there were about 25 agents and managers waiting to see each child's talent and Kaci did her thing. After the showcase Kaci's mom got calls from six different agents and managers to see if she was a good fit for them to represent her. A few were not right for her, but then came Don Buchwald and Associates. She found a great fit with her agents Pam and Victoria at Buchwald who represent her for commercial, theater, tv and film. Since working with Buchwald Kaci has traveled to different states to work on a commercial and tv show. She even missed Hurricane Sandy because she could not get back to NY from North Carolina after shooting a commercial. Kaci has met lots of great people and booked commercials, a webisode and even a TV show on ABC's Lifetime Channel called *Army Wives*, which shoots in South Carolina and is her first BIG BREAK. On *Army Wives* Season 7 Kaci played Nyah Montclair and her mom was the Grammy Award Singer and actress Ashanti, she had 2 brothers and her tv dad actor Joshua Henry was in the Army. Now here is the BIG SCOOP and another BIG BREAK...Kaci J. Walfall is going to BROADWAY! Her agents, voice coach and Kaci of course helped her book the role of Young Nala in the Award Winning Broadway Musical *The Lion King*. Before booking *The Lion King* Kaci attended auditions for about 3 different Broadway Shows. Kaci feels SUPER DUPER excited but knows that this will be lots of fun, hardwork and sacrifice. She is sad that she will miss family events, playdates, birthday parties and school events but knows that she will get a chance to meet new friends, talented performers and learn so much more! Kaci makes her ROAR on Broadway beginning on October 8th and would like to thank EVERYONE that helped her make it this far especially GOD!

I am Kaci Jeanette Walfall and this is not a fairytale, and I am not a hurricane, this is my story, written by me (with help from my mom), it is how I made my BIG BREAK...SO FAR. I'm 9 years old and a student at PS 193's 4th grade gifted class. I enjoy acting, singing, dancing, modeling, pageants, gymnastics, watching tv, playing with my dolls, playing with my little brother Kaden, outdoor camping, hanging with my friends and family and just being me. My favorite subjects in school are science, art and music. When I grow up I would like to go to Columbia University for Performing Arts to study acting, dancing and singing and then go on to continue to be a superstar. I approve this story and hope that you like it and will follow me on this amazing journey! DREAMS DO COME TRUE IF YOU BELIEVE, BELIEVE, BELIEVE!

Key's Page

WOW so happy to begin my sophomore year of college. Freshman year was a year of new learning for me like adjusting to living away from home, getting to classes on time and most of all becoming a responsible adult. My roommates and new friends helped to make my time at school fun. So excited because I know this is going to be a great year. I am also excited for our Disney Dream Pageant for 2013, so my pages are dedicated to all things Disney.

LOL, this is what the Disney Princesses would look like as college students
