DARLING DIVAS

DASHING DONS

Our SUPERHEROES Pageant was planned a few years ago but never came to fruition. 2020 seemed to be the perfect time to have this event. Our Pageant was an absolutely SUPER event. Despite the Coronavirus Pandemic, our families came out to show that we can continue to live our lives with caution and care. With all our hearts, we at Darling Divas thank and offer our appreciation to the families who proved to be pageant Superheroes by supporting our event.

Congratulations to all of our contestants who competed.

Our Divas & Dons were all amazing on stage, especially in showcasing their Superheroes. We proudly present photos and results in this issue.

The main song we used on pageant day proclaimed "We can be Heroes!", You already are heroes.

We now move forward with our 2021 "Arabian Nights" National Pageant. We hope to see you all there. Information can be found on our website.

PRO MEGA ULTIMATE GRAND SUPREME

Hello everyone my name is Isabella Kenia Soto
your Mega Pro Ultimate Grand Supreme at Darling Divas SuperHero Pageant!

I really enjoyed the super hero pageant! It was really fun! I had a great time catching up with my Strutter family and cheering everyone on that I was able to see.

I really loved the SuperHero theme of the pageant highlighting real life Superheroes too. I decided to choose Super Girl because she is an example of woman's strength. She also is very independent, positive, and a great role model for young girls. She's a good guy and takes care of bad guys! When I was younger I actually dressed up like her for a parade where I was part of an anti-bullying float. I chanted, "Be Hero, not a bully!" I was awarded the people's choice award for my float and also came out in the paper, that was so cool!

I'm looking forward to so many things this year! School will begin soon and I can't wait to see my friends. I'm even looking forward to seeing some teachers. I know it's going to be a little different having to wear a mask and all but at least we get to finally be back in a classroom. This year I will be a 7th grader and I'm excited! In school I'm a part of many activities. I am in the Gifted and Talented program, Artistically Talented program, chorus, band, I play the recorder and saxophone, I am also in the drama club (I love acting, I actually had the lead in Wizard of Oz as Dorothy), and I also play softball. Softball is the best! I play first base, short stop, and pitcher. My friends say I have a busy schedule but I always tell them hard work always pays off! I am a High Honors student! My mom and dad really love telling people about that! My hobbies include making Tik Toks, singing, Pageantry, drawing, painting, playing piano, playing Roblox, and writing music. I used to spend time with the elderly too but since COVID-19 we haven't been able to. I really hope they find a vaccine soon so we can all finally get back to some normalcy.

Right now I'm working really hard on practicing my routines and getting ready for upcoming Nationals! One National I'm super excited about is Darling Divas in January! I absolutely love the theme! I mean I might be partial because of my Genie OOC lol! But DD is one of my favorites because we get so many prizes, there's always a super fun party, and I always get to hang out with my pageant friends!

Thank you Mrs. Cheryl and Miss KeyAna for such an awesome, super fun, and well organized pageant!!!
I can't wait for January 2021

Love Isabella
