The Carnivale Edition

Another AMAZING Darling Divas Pageant. How great it was to host so many beauties from the US and Canada at our "Carnivale" themed pageant. We made a lot of new friends and welcomed back those who continue to support us.

This pageant was the premiere of our 10-20-30-40-50 crowning where our

This pageant was the Ultimate Grand Supreme winner received something representing each of these numbers.

We are excited for our 2016 Nationals as it will be our 10th year celebration. You will not want to miss this...lots of '10' surprises are in store for our contestants.

MEET

Keziah:

My Darling Divas experience was fantastic. I have to admit I was really scared. It turned out better than I thought. I've never been in a pageant before so I wasn't sure of how it was going to go. When I got there I was shaking in my boots. I walked around and noticed everyone was nice. Mr. Tim was nice too. He has a great voice.

But my favorite part was when I had to sing in front of the intense but polite looking judges. Smiling and having fun is what I did. I really tried my very best. When I did beauty and swim, it was over and I was feeling so good about myself. I was having way too much fun. So the coolest part was my talent portion. That night a party was thrown. We got to put on our choice of fashion along with the T-shirts that we were given. I really had fun with all of it. I felt as if I couldn't sleep that night from all the excitement but I guess I just don't remember when my eyes closed. The next morning was crowning. That is what scared me. I was so surprised to be called up as Divisional Novice Queen. I felt as if I was on top of the world for the next few days. I thank the judges, and my teacher, my friends, and the audience for all their support. Ms. Cheryl, thank you for all my memories that will last forever. This was truly a Darling Divas experience.
