SPOTLIGHT on *Landree* 2017 Elite Ultimate Grand Supreme

Hello my name is Landree Douglas. I'm 7 years old and live in Tennessee. My very first trip to New York was so special to me when we came to compete at Darling Divas! It was a long drive but totally worth it. I had so much fun doing the pageant. The staff was so helpful and friendly. After the pageant, the party was amazing!!!! I loved the theme of the pageant and it was the theme of the party too, THE ORIENT EXPRESS. The Lip Sync Battle was so fun to watch and it had my mom laughing! Crowning was amazing and I loved all my gifts! I loved being part of the Top 10 and getting an oriental fan and goodies for being part of the top 10. When Mr. Tim called my name, I was in tears as I was crowned the 2017 Elite Ultimate Grand Supreme. Mrs. Cheryl is the best director and I want to thank her for having such a fun pageant. I am very honored to be the 2017 Elite Ultimate Grand Supreme. I have done so much already to represent my title. Mrs. Cheryl booked me on Good Morning America and I was so excited to meet Julie Andrews! It was such a fun thing to do and represent Darling Divas. I can't wait to see what the rest of the year has in store for me as part of the Darling Divas national royalty!

A MOMENT WITH

Tanisha & Kylee

2017 Amateur Grand Supremes

Kylee had asked me for a year when I would take part in a pageant. She wanted to see if I could do what I was helping her do. I told her I took part in a pageant once when I was in college.

She would periodically ask when I would try, especially after she saw some over 30's participate. I continued to tell her I would one day and Darling Divas provided the perfect opportunity. We had a good time deciding what we would wear and Kylee enjoyed picking out the clothes for me and made sure I was ready. She checked my walk and my turns and made sure I smiled. In other words, she turned the table on me. It was now my turn to be coached.

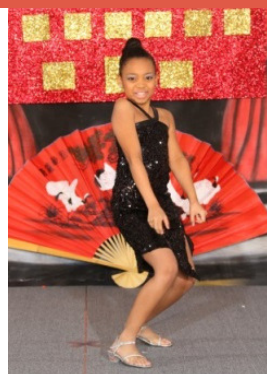

We practiced with each other, we correct each other and we told each other when things looked good. It was a great experience doing it together and it was a bonus when we both won a crown. I saw the proud smile she had for her mommy on her face and I thought to myself, that is probably what I look like when she does well. I am proud of everything she does and it was neat to hear her say, "Good job mommy, you really know what you are doing."
