DARLING DIVAS NATIONAL ELITE ULTIMATE GRAND SUPREME

HELLO I'M PAISLEY LANGWORTHY, YOUR 2018 ELITE ULTIMATE GRAND SUPREME. THE OPPORTUNITY TO GET TO COME TO NEW YORK CITY AND BE CROWNED THE NATIONAL ELITE AT DARLING DIVAS WAS SUCH AN HONOR AND PRIVILEGE FOR ME. I WAS SO EXCITED TO HEAR MR. TIM CALL MY NAME! I RAN TO THE STAGE TO SIT IN MY AMAZING DIRECTOR'S CHAIR. THE CONFETTI COMING DOWN WAS AMAZING. THERE WAS SO MUCH I COULD BARELY SEE!! MRS. CHERYL AND KEYANA GO ABOVE AND BEYOND FOR THEIR PAGEANT KIDS FROM START TO FINISH. I AM SO HONORED TO BE PART OF THE DARLING DIVAS ROYALTY!

Meet Morgan & Linda

Recipients of our 2018 "Making a Difference" Award.
Selected for their excellent work in community service.

Morgan...

Morgan is 14 years old, and has been collecting donations (food, hygiene items, clothes, toys, furnishings - 99% New items) since she was 5. Her father is a disabled veteran, and he is her inspiration for Morgan's Hugs.

Morgan competes in pageants across the country. She challenges her fellow contestants to see who can bring in the most donations for Morgan's Hugs. She then distributed the donations primarily to our veterans as well as active military families in need. She has also helped several other organizations with their needs to help the homeless and foster children.

During the CHRISTMAS holiday, she delivered stockings filled with hygiene items to the veterans in need. She took several trailers of toys to the VFW. She helped put together a huge back to school blast for the children living at the VFW National Home for Children in Eaton Rapids. On Christmas Eve, Morgan went shopping with a local senator and a representative to help a veteran and his wife and their children with groceries for the holidays while he was dealing with his disability benefits. She adopted several veterans and their families for Christmas.

We have found it simpler for people wishing to do a monetary donation to send directly to Morgan's Hugs PayPal. Each donation is then spent on items currently in need. As you can see on Morgan's Hugs Facebook page there are a lot of pictures with the donations along with the recipient.

Currently, Morgan's Hugs is operating out of several enclosed trailers. We have a gofundme set up for donations to help with renovations on a pole barn owned by her father to store, organize and distribute items needed by our veterans and military families. It is our goal to one day be able to have a fully stocked, sorted and organized barn to help accommodate our veterans with.

You can choose to either donate and have the donation go for grocery items, hygiene products, etc and a photo will be taken showing where your donation went and in most cases, who received the donations (some people ask not to be photographed).

You can also choose to help donate to the GoFundMe for the barn renovations.

Divas "Making A Difference"

Both Divas received Official Citations from the City of New York for their excellent work in their communities.

Linda...

Ever since Linda Derry was 5 years old, her mom made she sure she donated her toys and clothes to charitable organizations as her way to give back.

But it was at age 8, when she represented the Darling Divas pageant at a Juvenile Diabetes Walk that her eyes were opened to charity work. Her mom didn't know how she would react to getting up at 5am in the morning, and standing for a good amount of time distributing T shirts, then cheering the runners on as they crossed the finish line. But this was the beginning of her volunteerism and Linda never looked back. She went on to represent the DDP organization in various fundraisers, such as the Kidney Walk and Divas Breast Cancer Run along with several back -to -school supply & prom dress giveaway events. She has become charity ambassador twice for raising the most money for breast cancer research and donating the most toys for Toys for Tots.

Even when she hasn't represented Darling Divas, she has been part of the "I'm a Kid that gives" organization where she has contributed & distributed toys to local shelters, she has volunteered at numerous fundraiser walks, such as March of Dimes, Crohns & Colitis and more. She has supported her local park by constantly planting flowers and raking leaves and when she receives her new coat every December she always donates her old one to NY Cares.

She is currently focusing on environmentalism and is a team leader of the C.I.S.T.A Girls Environmental Club, an organization for young girls who want to save the planet by educating the community on how to build a stronger relationship between man and its' environment. They have done various Beach cleans-up and educational programs at their local libraries, where they discuss different climate change topics. The organization has their own Queens Public TV Show, where Linda is the host. She has discussed topics such as water pollution, deforestation and the diminishing population of bees.

Not only does she believe its important for the younger generation to care for their future planet now, but always important to give back when you can.
