Website: www.bppools.com
www.facebook.com/BPPoolsLLC

Job Description:

Role: Salesperson

Job Type: Seasonal

Schedule:

Various shifts throughout the week as well as some weekends

Experience:

Pool experience a plus, but willing to train.

Job Description:

This position consists of greeting customers, entering critical information into the computer testing station, performing water analysis, explaining the results, gathering the chemicals suggested and using the Point-of-Sale register to complete the transaction. It would also include keeping the store tidy, restocking of chemicals, answering the phone, calling customers to remind them of upcoming appointments and always being professional.

Requirements:

- Lifting boxes of chemicals to restock
- Lifting heavy objects such as, but not limited to products, equipment and chemicals
- Ability to stand, bend and lift +/- 50 lbs on a daily basis
- Answering phones and calling customers as needed
- Willing to learn the Spin Lab and POS system
- Willing to learn and understand the chemicals
- Speaking in a professional manner with customers
- Providing exceptional customer service

Employment at BP Pools, LLC is at-will, meaning that either you or BP Pools, LLC may terminate the employment relationship at any time, with or without cause, and with or without advance notice.
