

2017 Spring Meeting

Election of Officers

- President-Larry DeSalvo re-elected
- Secretary/Treasurer-Rich Hamilton re-elected

Tournament Committee Suggestions

- *Buddy (Recruitment) Tournament*
 - The Buddy Tournament is a new tournament added to help with membership drive. It will be \$15 per team. It will be a doubles tournament. If you bring a non-member as your partner, and they join, we will reduce their membership dues by \$15.00. 2 existing members may play together.
- *Use the West Course*
 - We will use the West Course in the Beat the Pro as well as the final 9 holes for The Dillon.
- *4 Ball Format*
 - Was not changed. Will default to whatever the club decides about tee boxes
- *Club Championship Format*
 - The Championship flight will be from the Blue Tees. If we get enough competitors in the Championship flight, we will have a drop down (losers) bracket so that we guarantee at least 2 matches. We will have an opt in/opt out policy for those who do not want to compete in the Championship Flight.

Tee Box Issue (White/Gold – Strokes)

- Kipp Scott and Sam Lower asked to speak on ideas
- We voted that the club will go back to everyone playing from the same tees or we would split every tournament into 2 categories (White and Gold).
- After discussion, we agreed that we did not have enough members present to make such a decision. We agreed to leave it to an email vote. The vote would take place over the next week and whatever the vote results were would be final for the upcoming season.

- ***Final vote is 32 Whites, 23 Hybrids & 6 Split every tournament. We will play the 2017 season from the Whites.***

Open Discussion/New Business

- We discussed bringing back the Dillon dance, but members thought it would be too expensive at this time.

Thanks,

Rich
