

## 2022 Spring Meeting

Everyone,

Thanks to all the guys who came out tonight for the spring meeting. It was quick and easy.

--We discussed and moved the Tubby auction back to Thursday.

--The Dillon auction will remain on Friday.

--We voted unanimously in the new "Rule of 85". Which is defined as: anyone whose age (minimum of 60) and index equal 85, they are now allowed to play from the Hybrid (Green) Tees. You must declare if you intend to use the rule of 85 at the beginning of the year. You will then play the tees you select for the remainder of the year, unless your index drops to the point where you don't qualify anymore.

--We discussed making the Senior Tournament a two-day event. This was voted down. It will remain a one-day tournament.

--We also discussed a few ideas of what to do with a little extra money we have in the account.

Everyone, please get your dues and forms turned in. First events are April 22nd and 24th.

Thanks,

Mike/Rich
