

# Renowned Tax Attorney Dan Pilla Is Touring Nebraska!

Daniel J. Pilla literally wrote the book on sound taxation. He earns his living not by preparing tax returns but by defending people who already have been targeted by the IRS. The author of many books on taxes, he includes the following quote in his pamphlet for The Heartland Institute:

**“Of all the powers conferred upon government that of taxation is most liable to abuse.”**

— Supreme Court of the United States Citizens’ Savings & Loan Ass’n v. City of Topeka 87 U.S. 655 (1874)

Can you protect yourself under Nebraska’s currently broken system? Find the EPIC answer by attending one of six public talks given by Mr. Pilla during his tour, January 27-29. ***Details on reverse.***
