OUR CP-COMMERCE MODULES ■ ■ ■

DEPLOY A POWERFUL ENGINE

Allow users to log in to the website with an individual account or on behalf of the business and ease login process with multiple login methods (Google, FB, Apple)

OPTIMIZE INVENTORY MANAGEMENT

Monitor the stock balance in multiple warehouses, online and offline stores real-time even across different locations or countries

CUSTOMIZE MEMBERSHIP TIERS

Create and set member class privileges in a few clicks, we support an unlimited number of membership tiers

ENJOY FLEXIBLE VOUCHER SCHEME

Utilize our voucher types such as Rewards, Discount and Settlement. Configure shipping vouchers during checkouts

INTEGRATE MULTIPLE PAYMENT OPTIONS

Our cp-commerce allows your buyers to choose from more than 33 payment gateways before purchasing the products

MANAGE ABANDONED SHOPPING CART

Create automated notifications and reminders for your buyers and users

EMPOWER REFERRAL SYSTEM

Take use of our powerful referral system and commissions module. Reward your loyal customers

MAKE MEDIA LIBRARY EASY

Optimize the management of your product images across multiple platforms, and upload media and product information with ease

KNOW YOUR CUSTOMERS BETTER

Add our contact center module in and enable reviews and feedback from your customers on various channels

EARN POINTS AND VOUCHERS

Get cashback in the next purchase—online or in a physical store. O2O (Online-to-offline) concept is at the core of our solutions!
