WE MUST KNOW YOU ARE SAFE AND OFF THE WATER. TEAMS THAT DO NOT CHECK IN WILL RECEIVE 0 POINTS AND WILL NOT BE PERMITTED TO FISH ANOTHER CBTT EVENT FOR THE REMAINDER OF THE SEASON PER RULE #17.**

Weigh-in: There will be a courtesy board located at the beginning of the holding tanks for teams to check the length of any fish they may intend to weigh-in. Once a team turns over their daily catch to the bump man, the fish are now property of the Collegiate Bass Trail of Texas, and all teams agree to any call by the bump man regarding the official length of all fish. The Tournament Director has the final say in all matters regarding the official length of any fish. There will be 6-8 holding tanks leading up the Official Bump Man. Each tank will have hoses with air diffusers to keep your catch healthy while in line at the holding tanks. Weights will be measured in 1/100ths of a pound for each team (Example: 15.45 lbs).

Polygraph: A polygraph could be given to the winning team, as well as a boat number drawn randomly at the conclusion of the event before awards are distributed.

Post Tournament Boat Inspection: The tournament director at any time may conduct random boat safety checks. Those teams leaving early or refusing to partake in the MANDATORY boat safety inspection, or those that fail the inspection, will be disqualified from the tournament. The items that will be checked: **working fire extinguisher, throw cushion, liability insurance reflecting \$300,000 coverage, current fishing license, current boat registration, working navigation lights, working kill switch, proper life vests for all occupants.**

ALL TEAMS MAY USE ANY RAMP TO LAUNCH, BUT MUST COME OVER TO TAKE OFF LOCATION FOR OFFICIAL TAKE OFF

Idle past the dock when your boat number is called and continue to idle out until you get past the "No Wake" buoys.
