Our Limit Does Not Exist!

November has been quite an eventful month beginning with our Halloween Bash and concluding with an 8-hour tech rehearsal for Mean Girls, with the annual highlight of the Texas Thespian State Festival notably in between. As you'll read for yourself, this month has shown that our students truly are limitless!

TECH

With any production, there is a lot going on behind the scenes and Mean Girls is no exception. The work that our amazing techies do does not go unnoticed and we'd like to recognize all their hard work. Mean Girls is one of the biggest productions we have done at SC Playhouse, and set crew has worked hard to make a 32 foot movable bridge and various other huge set pieces on our fly system. Our amazing Costumes and Props Crews have put hours of work into creating various props and beautiful costume pieces for our show. We know where you belong! Come see our amazing production while you can!

Energy and excitement has reached its peak at rehearsals as we near opening night. MEAN GIRLS opens in 2 weeks. Actors are working hard to clean up dances, finalize any vocal assignments, and memorize lines. In the past week, they have practiced running the show all the way through. This helps everyone get a feel for how things are going to run during a performance. We are so excited for everyone to see these talented students shine! Tickets on sale on our linktree @ page 4!

We were immensely grateful to have an AHS director teach our tap number for song: "Stop!"

Our actors giving it their 100%!

ACTING

We're ALL STARS! No seriously

Texas Thespians Festival

SC Playhouse made a journey to Corpus Christi this year for our Annual State Competition! We had an awesome time going to conferences, workshops, and competing in state and national events! We are so grateful that we get to experience educational opportunities like this which further our theatre knowledge and allow us to share the love of theatre with our fellow thespians!

We also had a number of **National Qualifiers**, congratulations to Emma Forbes, Brynn Lipham, and Soleil Hoskins in Group Acting, Emiko Steinke in Light Design, Virginia Wood in Scenic Design, Nirasha Fernando in Scenic Design, and Bailey Cox in Stage Management. Huge congratulations also to Kyan Miller for making the **All Star Improv** Showcase.

This year we had our first ever **First Place Win in Team Scenic Design** with Preston Coleman, Lee Cox, Emiko Steinke, and Virginia Wood! Great work y'all!

Lee Cox, Virginia Wood, and Nirasha Fernando with their set designs for their Independent Events!

Another huge accomplishment from Gabriel Journet and Keri Ovalle for receiving all Superior Ratings in **Solo Musical** and **Call Backs for Mainstage Performance** for the first time in department history! Journet sang "Raise a Little Hell" from Bonnie and Clyde. Ovalle sang "Somewhere That's Green" from Little Shop of Horrors, which she played Audrey in 2 years prior as a freshman, and Journet, Seymour as a sophomore. Fast forward to present day where they are co-music directors and portraying love interests once again in Mean Girls with Ovalle playing Cady and Journet playing Aaron. These two have clearly been on such a journey as performers side by side so it's fitting that they achieved this feat together as well. Don't miss these two superstar's last musical together at SC Playhouse!

Congrats also to Ava LaBove, Keri Ovalle, and Gabriel Journet for making and performing in the **All State Performance**!

Thespians of the Month:

All the congratulations to our outstanding November Thespians of the Month, **Soleil Hoskins**, Mean Girls' beloved Gretchen and Head Choreographer, and **Lee Cox**, who is one of our super Set Heads. They continue to go above and beyond, and their diligence has not gone unnoticed!

Class Highlight: Theatre 2:

Our J.V Theatre students performed their **5 minute group scenes!** The students were tasked with creating levels and dynamics within their scene and using emotional tactics to portray their emotions on stage! Each performance was a testament to their hard work, dedication, and dynamic character portrayals with such engaging storytelling! These students have definitely learned so many new techniques to use for their future performances and had so much fun working with their fellow classmates!
