August 16, 2019

DocStar is a developer of enterprise content management and process automation software. Founded in 1996 and headquartered in upstate New York, we serve over 2,000 organizations. The marketing department is responsible for lead generation for the sales team.

We have worked with Doug and Melissa for several years because they understand our business and our prospects. They are consummate professionals and always produce great results. Highly recommended!

Sincerely,

A handwritten signature in blue ink, appearing to read "Jared Mostoller".

Jared Mostoller
Sr. Marketing Specialist
