Bootcamp (3 hours per module - Group Class))	Intensive revision session focused on key topics, exam techniques, and common problem areas. Learners engage in guided practice, group discussions, and problem-solving activities. Designed for high-impact learning in a short period, this class helps students consolidate content, improve retention, and gain confidence before tests or exams.	R350 per student
Script Review – 0–50 Marks	A detailed review of a learner’s test or exam script. The tutor examines each question, identifies where marks were lost, explains correct methods, and highlights patterns of errors. Feedback is delivered in a private session, giving the learner space to ask questions and gain personalised guidance. The session also reinforces what the learner is doing correctly, helping them remember to keep applying successful strategies. Ideal for learners needing targeted improvement and focused support.	R350
Script Review – 50–100 Marks	A comprehensive review of scripts scoring 50–100 marks. The tutor analyses errors in detail, explains correct approaches, and highlights recurring mistakes. The private feedback session ensures learners understand both weaknesses and strengths, encouraging them to continue using effective strategies while addressing areas that need improvement. Builds confidence and exam readiness.	R550
Script Review – 100–200 Marks	In-depth script review for learners scoring 100–200 marks. The tutor goes through every question to pinpoint lost marks, clarifies correct methods, and highlights patterns of mistakes. Feedback is given privately, with a focus on reinforcing strengths and ensuring consistent application of successful strategies. Ideal for high-scoring students aiming for excellence.	R850
