

2026 Business School Pricing

Class	Description (What the class entails & benefits)	Price
Script Review – 0–50 Marks	The tutor carefully reviews the learner’s script, going through each question to identify where marks were lost, explaining correct methods, and highlighting patterns of errors. Feedback is provided in a private session, allowing the learner to ask questions, clarify doubts, and reinforce what they are doing correctly. Ideal for targeted improvement and building confidence in weaker areas.	R625
Script Review – 50–100 Marks	A detailed review of scripts scoring 50–100 marks. The tutor analyses mistakes, explains correct approaches, and provides private feedback. The session also focuses on reinforcing strengths and ensuring learners continue applying successful strategies, helping improve overall performance.	R700
Script Review – 100–200 Marks	In-depth review for scripts scoring 100–200 marks. Each question is examined, patterns of errors highlighted, and correct methods explained. Feedback is given privately, reinforcing strengths while addressing areas for improvement. Ideal for learners aiming for high marks and exam excellence.	R825
Private Class (2 hours) – One Student	A one-on-one session fully tailored to the learner’s needs. Focuses on weak areas, exam techniques, and problem-solving at the learner’s pace. Provides immediate feedback and personalised strategies, allowing maximum focus and rapid improvement.	R650

2026 Business School Pricing

Class	Description (What the class entails & benefits)	Price
Private Class (2 hours) – Two Students	Semi-private session with two learners. Encourages collaboration and discussion while still giving each learner individual attention. Focuses on weak areas, exam strategies, and problem-solving, making it a cost-effective option without compromising personalised support.	R1200
Private Class (2 hours) – Three Students	Small-group private session with three learners. Combines collaborative learning with individual attention. Learners engage in peer discussion, problem-solving, and personalised guidance from the tutor. Ideal for small groups or classmates with similar learning goals.	R1852.50
