New! Featured Listing. This puts your listing just under the Premium Listings in your category page and gives you room for a short description, or to highlight a particular feature or specialty of your business. **Pricing** is \$450 for 12 months for small businesses and \$899 for 12 months for large.

Case Studies. Another option for promoting in the directory, is to feature your case study in the upper right of the category page. Check out the “Paywall Systems” category for a sample.

Pricing is \$399 for 3 months
