Pre-Academic Evaluation

This evaluation helps us understand what your child knows at the start of the school year. No preparation is needed. The results will serve as a baseline and will be compared to end-of-year testing to measure your child's academic growth throughout the year.

Open House 3:00-5:30pm

Join us for an evening to meet our teachers, tour classrooms, receive important school information, and learn about the upcoming year. This is a great opportunity to ask questions, drop off supplies, and connect with our school community before the first day of class.
