## Spelling Bee

The first round of the spelling bee will take place in students' classrooms during regular school hours. The second round of the spelling bee will be held during school hours and organized by grade groups: Kindergarten–2nd Grade, 3rd–5th Grade, 6th–8th Grade, and High School. This format allows students to compete with peers at similar academic levels while promoting confidence and academic excellence.

Students will create and display various forms of art representing Black History. Art projects will include papier-mâché, collages, painting, and other creative techniques, culminating in a student gallery showcase from 2:30–4:00 PM.

We are excited to announce that we are working toward selecting a school mascot for the upcoming school year and we need our students' help! Coach J will be sending home a paper by grade with detailed instructions for the GPHCA Mascot Contest. We can't wait to see our students' creativity and ideas come to life. Please review the information carefully and encourage your child to participate!
